## **DETAILED ACTION**

### ***Claim Rejections - 35 USC § 112***

1. The following is a quotation of the first paragraph of 35 U.S.C. 112:

The specification shall contain a written description of the invention, and of the manner and process of making and using it, in such full, clear, concise, and exact terms as to enable any person skilled in the art to which it pertains, or with which it is most nearly connected, to make and use the same and shall set forth the best mode contemplated by the inventor of carrying out his invention.

2. Claims 1, 5-10 and 12 are rejected under 35 U.S.C. 112, first paragraph, as failing to comply with the written description requirement. There is insufficient support for the new limitation in claim 1: "the spacer having a length in a longitudinal direction longer than the diameter of the small hole".

### ***Allowable Subject Matter***

3. Claim 11 is allowed.

### ***Response to Arguments***

4. Applicant argues that the drawings support the size limitation of claim 1. However, several decisions have made clear that drawings are not evidence of actual proportions, unless the specification states that the drawings are to scale. These decisions include *Hockerson-Halberstadt, Inc. v. Avia Group Int'l*, 55 USPQ2d 1487, 1491 (Fed. Cir. 2000); *In re Wright* 193 USPQ 332, 335 (CCPA 1977); and *In re Olson* 101 USPQ 401, 402 (CCPA 1954).

### ***Conclusion***

5. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

Art Unit: 1723

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
